A tickling cough, from any cause, is quickly stopped by Dr. Shoop's Cough Cure. And it is so thoroughly harmless and safe, that Dr. Shoop tells mothers everywhere to give it without hesitation even to very young babies.

The wholesome green leaves and tender stems of a long healing mountain shrub furnish the curative properties to Dr. Shoop's Cough Cure. It calms the cough, and seals the sore and sensitive bronchial membranes.

No optimum no chloroform, nothing harsh used to injure or suppress. Simply a resinous plant extract, that helps to heal aching lungs. The physicians call this shrub which the Doctor uses, "The Sacred Herb." Demand Dr. Shoop's. Take no other. Louisa Drug Co.
